HELLO & WELCOME TO ANNIE'S BURGER SHACK!

The original taste of New England in Nottingham

Since 2009 Annie has brought the authentic taste of Rhode Island to Nottingham with a unique twist...

Annie is proud to offer all of her original recipes and famous monthly themed burgers as either **100% Vegan, Veggie or Meaty**

Yes that's right. **EVERY. SINGLE. ONE!**

We make *authentic* Rhode Island style burgers.

Our **Meaty** burgers are a delicate mix of prime **Beef (85%) & Pork (15%)** mince from the most select farms in the East Midlands.

Our burgers contain **paprika**, which gives them a pink appearance.

Please rest assured that each burger is cooked to perfection & individually temperature checked before being served.

An important part of our ethos is that we try to cater for everyone, so if you have a preference or a specific dietary requirement, please ask & we will do our utmost to accommodate this.

We pride ourselves on our ability to create your burger in the way you like it.

Burgers are served on a toasted classic sesame bun with crisp iceberg lettuce, vine tomato slices and mayonnaise.
